INDEX TO VOLUME 128

January-December 1963

Subjects

A		M.D.	655
Accidents in the Armed Forces, The Prevention Of		Bronchiogenic Carcinoma, Changing Concepts Of. Lt.	
Ross A. McFarland, Ph.D., and Roland C. Moore Ph.D.	1190	Col. Hu A. Blake, MC, USA	231
Acute Poison Ivy Dermatitis Among Our Military Field		Bronchogenic Carcinoma and Its Prevention, The Haz-	1167
Personnel, The Treatment Of. Maj. Paul M. Selfon		ard Of. Alton Ochsner, M.D	1167
MC, PARNG.	895	C	
Aerobiology. Lt. Col. William S. Gochenour, Jr., VC, USA	86	Cancer, The Diagnosis of Oral. Lt. Col. William G.	100
Aerospace Medicine, The United States Air Force Progress In. Maj. Gen. Oliver K. Niess, USAF, MC. Aerospace Toxicology: Past, Present, and Future. Col.		Sprague, USAF, MC. Cancer, Hormonal Therapy Of, Col. Frederick J. Hughes, Jr. MC, USA Carbohydrate Metabolism and Anaphylaxis, The Relationship Between, Lt. Col. G. S. Belaval, MC, USA Cardiovascular Disease, A Compon Killer, Herbert W.	428
ress In. Maj. Gen. Oliver K. Niess, USAF, MC	215	Hughes Ir MC USA	960
Aerospace Toxicology: Past, Present, and Future. Col.		Carbohydrate Metabolism and Anaphylaxis, The Rela-	
Dominguez, USAF, MC, Leo R, Goldman, Ph.D., and		tionship Between. Lt. Col. G. S. Belaval, MC, USA	1177
Col. Frank M. Townsend, USAF, MC	717	Cardiovascular Disease, A Common Killer. Herbert W. Coone, Col., USAF, MC	740
Thaddeus J. Domanski, USAF, MSC, Capt. Abel M. Dominguez, USAF, MC, Leo R. Goldman, Ph.D., and Col. Frank M. Townsend, USAF, MC. Aging Circulation. William C. Manion, M.D. Airborne Infection. Maj. William D. Sawyer, MC,	604	Case for Diagnosis. Col. Frank M. Townsend, USAF,	
USA	90	MC	449
Air Force Trends in Psychiatry, Capt. Ari Kiev, USAF.		Case for Diagnosis. Col. Frank M. Townsend, USAF, MC	550
MC, and Martin B. Giffen, USAF, MC	1118	Cell Population Uncontrolled Growth Of. Harold L.	330
Amebic Dysentery, Residuals Of. Lt. Col. Sophie C. Trent, MC, USAR, Ret.	1217	Stewart, M.D.	610
Anaphylactic Shock Due to Penicillin, On. Lothar Wirth,	121/	Chest Roentgenograms in Early Diagnosis of Infectious	104
M.D	245	Disease. Capt. Robert F. Douglas, MC, USA	104
Antipersonnel Biological Warfare, Some Ecological and Epidemiological Concepts In. Leroy D. Fothergill,		Child Psychiatry in the Army, The Status Of. Col. William H. Anderson, MC, USA	1102
M.D. Fotnergiii,	132	"Closed System" Filtering Method, A Simple. Nat M.	
Armed Forces Epidemiological Board-Activities of the		Minsley, B.S., M.S.P.H., Maj. MSC, USAR	1220
Commission on Immunization 1961-1962. Geoffrey Ed-	0.00	Ears. The Local, C. T. Varington, Ir., M.D., and	
sall, M.D. Armed Forces Epidemiological Board—Activities on the	37	"Closed System" Filtering Method, A Simple. Nat M. Minsley, B.S., M.S.P.H., Maj. MSC, USAR Cold Injury: With Special Reference to Frostbite of the Ears, The Local. C. T. Varington, Jr., M.D., and Gertrude A. Bales, M.D.	1024
Commission on Rickettsial Diseases. Charles L. Wis-		Comparity Therapeutic Effectiveness of Sulfonamide-	
seman Is MD	AAA	Dihydrotriazine Combination, Erythromycin Propio- nate and Oral Penicillin in the Treatment of Group A	
Armed Forces Institute of Pathology: 1862-1962, A		Beta-Hemolytic Streptococcal Infections. Lt. Col.	
Armed Forces Institute of Pathology: 1862-1962, A Century of Pathology. Col. Frank M. Townsend, USAF, MC	273	Beta-Hemolytic Streptococcal Infections, Lt. Col. Harry J. Umlauf, Jr., MC, USA, and Capt. Richard L. Wall, MC, USA	
Armed Forces Institute of Pathology on Medicine, The		L. Wall, MC, USA	529
Armed Forces Institute of Pathology on Medicine, The Influence of The. Saul Jarcho, M.D	473	D	
Institute of Pathology, The, Hugh G. Grady, M.D.	290	Doctor on Dog Sled. PFC James Barner	1000
Institute of Pathology, The. Hugh G. Grady, M.D. Army Medical Museum, A Russian Description of The.		Doctors as Ambassadors—Guest Editorial. Waltman Walters, M.D.	471
Saul Jarcho, M.D. Army Medical Museum, The. Esmond R. Long, M.D.,	843	Doctor-Patient Relationship of Prepaid Medical Care.	
Army Medical Museum, The. Eshiond R. Dong, M.D.,	0.00		217
Ph.D	367	Drug Monograph Service A Pernatual Charles	13
Ph.D	367	The Effect on The. Ralph G. Hills, M.D Drug Monograph Service, A Perpetual. Charles Cleveland	B. 1137
Ph.D	1184	Cleveland	B. 1137
Ph.D. Arctic Operations, Some Medical Problems Of. Maj. Robert J. T. Joy, MC, USA Azo-Sulfamethoxazole: Its Preliminary Evaluation in	1184	Cleveland E	1137
Ph.D	367 1184 635	Cleveland E	1137
Ph.D. Arctic Operations, Some Medical Problems Of. Maj. Robert J. T. Joy, M.C. USA Azo-Sulfamethoxazole: Its Preliminary Evaluation in Genitourinary Tract Infections. Capt. John H. Peters, M.D., USAF, M.C.	1184	Cleveland E	1137
Arctic Operations, Some Medical Problems Of. Maj. Robert J. T. Joy, M.C. USA Azo-Sulfamethoxazole: Its Preliminary Evaluation in Genitourinary Tract Infections. Capt. John H. Peters, M.D., USAF, M.C. B. Pacterial and Muccic Discours. The Laboratory Cont.	1184	Cleveland E Early Identification of Common Communicable Diseases, The Role of the Dental Officer in The. Lt. Col. William G. Sprague, USAF, MC Ecology of Hunger, The. Richard H. Follis, Jr., M.D.	1137
Arctic Operations, Some Medical Problems Of. Maj. Robert J. T. Joy, M.C. USA Azo-Sulfamethoxazole: Its Preliminary Evaluation in Genitourinary Tract Infections. Capt. John H. Peters, M.D., USAF, M.C. B. Pacterial and Muccic Discours. The Laboratory Cont.	1184	Cleveland E Early Identification of Common Communicable Diseases, The Role of the Dental Officer in The. Lt. Col. William G. Sprague, USAF, MC Ecology of Hunger, The. Richard H. Follis, Jr., M.D. Editorials Medical Defense Against Biological Weapons	533 384 145
Arctic Operations, Some Medical Problems Of. Maj. Robert J. T. Joy, M.C. USA Azo-Sulfamethoxazole: Its Preliminary Evaluation in Genitourinary Tract Infections. Capt. John H. Peters, M.D., USAF, M.C. B. Pacterial and Muccic Discours. The Laboratory Cont.	1184 635	Cleveland E Early Identification of Common Communicable Diseases, The Role of the Dental Officer in The. Lt. Col. William G. Sprague, USAF, MC Ecology of Hunger, The. Richard H. Follis, Jr., M.D. Editorials Medical Defense Against Biological Weapons Forerunners	533 384 145 246
Arctic Operations, Some Medical Problems Of. Maj. Robert J. T. Joy, M.C. USA Azo-Sulfamethoxazole: Its Preliminary Evaluation in Genitourinary Tract Infections. Capt. John H. Peters, M.D., USAF, M.C. B. Pacterial and Muccic Discours. The Laboratory Cont.	1184 635 100	Cleveland E Early Identification of Common Communicable Diseases, The Role of the Dental Officer in The. Lt. Col. William G. INDEX TO VOLUME 128

January-December 1963

Subjects

A		M.D.	655
Accidents in the Armed Forces, The Prevention Of		Bronchiogenic Carcinoma, Changing Concepts Of. Lt.	
Ross A. McFarland, Ph.D., and Roland C. Moore Ph.D.	1190	Col. Hu A. Blake, MC, USA	231
Acute Poison Ivy Dermatitis Among Our Military Field		Bronchogenic Carcinoma and Its Prevention, The Haz-	1167
Personnel, The Treatment Of. Maj. Paul M. Selfon		ard Of. Alton Ochsner, M.D	1167
MC, PARNG.	895	C	
Aerobiology. Lt. Col. William S. Gochenour, Jr., VC, USA	86	Cancer, The Diagnosis of Oral. Lt. Col. William G.	100
Aerospace Medicine, The United States Air Force Progress In. Maj. Gen. Oliver K. Niess, USAF, MC. Aerospace Toxicology: Past, Present, and Future. Col.		Sprague, USAF, MC. Cancer, Hormonal Therapy Of, Col. Frederick J. Hughes, Jr. MC, USA Carbohydrate Metabolism and Anaphylaxis, The Relationship Between, Lt. Col. G. S. Belaval, MC, USA Cardiovascular Disease, A Compon Killer, Herbert W.	428
ress In. Maj. Gen. Oliver K. Niess, USAF, MC	215	Hughes Ir MC USA	960
Aerospace Toxicology: Past, Present, and Future. Col.		Carbohydrate Metabolism and Anaphylaxis, The Rela-	
Dominguez, USAF, MC, Leo R, Goldman, Ph.D., and		tionship Between. Lt. Col. G. S. Belaval, MC, USA	1177
Col. Frank M. Townsend, USAF, MC	717	Cardiovascular Disease, A Common Killer. Herbert W. Coone, Col., USAF, MC	740
Thaddeus J. Domanski, USAF, MSC, Capt. Abel M. Dominguez, USAF, MC, Leo R. Goldman, Ph.D., and Col. Frank M. Townsend, USAF, MC. Aging Circulation. William C. Manion, M.D. Airborne Infection. Maj. William D. Sawyer, MC,	604	Case for Diagnosis. Col. Frank M. Townsend, USAF,	
USA	90	MC	449
Air Force Trends in Psychiatry, Capt. Ari Kiev, USAF.		Case for Diagnosis. Col. Frank M. Townsend, USAF, MC	550
MC, and Martin B. Giffen, USAF, MC	1118	Cell Population Uncontrolled Growth Of. Harold L.	330
Amebic Dysentery, Residuals Of. Lt. Col. Sophie C. Trent, MC, USAR, Ret.	1217	Stewart, M.D.	610
Anaphylactic Shock Due to Penicillin, On. Lothar Wirth,	121/	Chest Roentgenograms in Early Diagnosis of Infectious	104
M.D	245	Disease. Capt. Robert F. Douglas, MC, USA	104
Antipersonnel Biological Warfare, Some Ecological and Epidemiological Concepts In. Leroy D. Fothergill,		Child Psychiatry in the Army, The Status Of. Col. William H. Anderson, MC, USA	1102
M.D. Fotnergiii,	132	"Closed System" Filtering Method, A Simple. Nat M.	
Armed Forces Epidemiological Board-Activities of the		Minsley, B.S., M.S.P.H., Maj. MSC, USAR	1220
Commission on Immunization 1961-1962. Geoffrey Ed-	0.00	Ears. The Local, C. T. Varington, Ir., M.D., and	
sall, M.D. Armed Forces Epidemiological Board—Activities on the	37	"Closed System" Filtering Method, A Simple. Nat M. Minsley, B.S., M.S.P.H., Maj. MSC, USAR Cold Injury: With Special Reference to Frostbite of the Ears, The Local. C. T. Varington, Jr., M.D., and Gertrude A. Bales, M.D.	1024
Commission on Rickettsial Diseases. Charles L. Wis-		Comparity Therapeutic Effectiveness of Sulfonamide-	
seman Is MD	AAA	Dihydrotriazine Combination, Erythromycin Propio- nate and Oral Penicillin in the Treatment of Group A	
Armed Forces Institute of Pathology: 1862-1962, A		Beta-Hemolytic Streptococcal Infections. Lt. Col.	
Armed Forces Institute of Pathology: 1862-1962, A Century of Pathology. Col. Frank M. Townsend, USAF, MC	273	Beta-Hemolytic Streptococcal Infections, Lt. Col. Harry J. Umlauf, Jr., MC, USA, and Capt. Richard L. Wall, MC, USA	
Armed Forces Institute of Pathology on Medicine, The		L. Wall, MC, USA	529
Armed Forces Institute of Pathology on Medicine, The Influence of The. Saul Jarcho, M.D	473	D	
Institute of Pathology, The, Hugh G. Grady, M.D.	290	Doctor on Dog Sled. PFC James Barner	1000
Institute of Pathology, The. Hugh G. Grady, M.D. Army Medical Museum, A Russian Description of The.		Doctors as Ambassadors—Guest Editorial. Waltman Walters, M.D.	471
Saul Jarcho, M.D. Army Medical Museum, The. Esmond R. Long, M.D.,	843	Doctor-Patient Relationship of Prepaid Medical Care.	
Army Medical Museum, The. Eshiond R. Dong, M.D.,	0.00		217
Ph.D	367	Drug Monograph Service A Pernatual Charles	13
